## 13 Seniors Receive Who's Who Honors

Thirteen seniors were recently elected by the faculty and student council to the honor of "Who's Who Among Students in American Universities and Colleges." The students were elected on the basis of scholarship, participation in extra-curricular and academic activities, citizenship, service, and promise of future usefulness to business and society. The students elected will receive a certificate of recognition, listing in the organization's annual publication and benefits of its student placement. They are as follows:

Joy Arledge, Phyllis Blackwell, Mildred Booth, Harold Curl, Donald Durick, Gerald Green, Kenneth Hawkins, Harlow Hopkins, James Ingalls, James Leonard, Jo Anne Major, Gardner Walmsley, and Harold Yochim.

### Joy Arledge

Joy, a well liked personality on campus, has been an outstanding officer in the N.Y.P.S. as well as in the Women's Residence Association. Future Teachers of America and the Linguistic Club are other interests in which Miss Arledge has played a prominent part.

### Phyllis Blackwell

Due to lots of concentrated effort and a large amount of musical ambition, Phyllis Blackwell is consistently becoming one of Olivet's foremost musicians. Also Miss Blackwell has proved herself capable as secretary to Olivet's business manager.

### Mildred Booth

Millie may often be seen in the Registrar's Office. Having a smiling and gracious personality, her offices include: President of the Women's Residence Association, Student Prayer Band secretary-treasurer, Missionary Band Librarian, Student Council, English Guild, F. T. A., and Sociology Club. Upon graduating, Millie, is going to enter the teaching profession.

### Harold Curl

Now treasurer of the Associated Students of Olivet and well deserving of "Who's Who" honors is Harold Curl. President of the Sociology Club for 2 years and treasurer of his senior class Hal has demonstrated his ability along lines of leadership. Also, scholastically, you'll find the industrious senior at the top.

### Donald Durick

Presidency of the Senior class distinguishes Don Durick. Don is an outstanding sports enthusiast, and the "O' Club claims him as their president. He served as business manager of the Glimmerglass last year. He has been Tip-Off chairman, Spartan coach, a member of Commerce Club, band and Trumpet Trio. Don is truly a promoter of school spirit.

### Gerald Green

A familiar face around the campus is Gerald, better known as "Jerry." As president of the Student body, Jerry is sincere in his desires to represent the students. His activities include: Freshman and Sophomore class president, Ministerial Fellowship vice-president, Student Prayer Band vice-president, and Platonian Philosophical Society. Capable, a natural born leader, Jerry, also held a student pastorate at Dwight.

### Kenneth Hawkins

Majoring in psychology, Ken has been actively engaged in student activities on the Olivet campus. Now serving on the Student Council and Ken is anticipating post graduate work at Georgia Tech.

### Harlow Hopkins

Harlow, has been most outstanding in the musical field. He is a member of the Orpheus and Viking Male Chorus, vice-president of Music Education Club, a member of orchestra, Pep Band director, Associate director of band, and Glimmerglass typist.

### James Ingalls

Student Prayer Band President Jim Ingalls has contributed much to his school and especially in actively supporting student organizations. A well respected leader, Jim is now a student pastor progressing in the very best way.

### James Leonard

Because of the industrious efforts of Jimmy Leonard, the O.N.C. students received last year an Aurora that possibly topped anything of the past. Other outstanding organizations which have interested Jim are Orpheus, Debate, Chi Sigma Rho, and the English Guild.

### Jo Anne Major

Jo Anne — or Jo, having been a member of Chancel and Orpheus Choirs, the History Club and Student Council, is jovial and well-liked. She is now active on the chapel committee, in the English Guild and the F.T.A.

### Gardner Walmsley

With a lot of "hard work" Gardner has obtained a grade point-average which any student would be proud to claim. He is a member of the Spartans and as a leader was vice-president of Chancel Choir, and this year is president of the Linguistic Society.

### Harold Yochim

Having been a member of Pi Gamma Delta Literary Society and the Ministerial Association for two years at Bob Jones University is Harold Yochim. Harold has joined the Olivet Ministerial Fellowship and he towers at the very top scholastically.

By Darrell Holland  
Revival Has Come

Upon the beginning of school at Olivet Sept. 16 the thought uppermost in the minds of most students and faculty members was that "a mighty revival was sweeping this way." This anticipated campaign began Oct. 5 and ended last Sunday.

Surely the Holy Spirit working through Evangelist Donald E. Snow and Singers Gerald Greenlee and Dan Liddell has given us a revival of old fashioned salvation on the campus.

Want some proof of this statement? Please note the chapel service last Monday, which Prof. R. L. Lunsford chose to call "Victory at Olivet" day. Out of many hearts, just united with God, flowed praises for their new found Redeemer.

And remember don't forget Prof. Lunsford's final admonition of the service. "There is much ground to be conquered so let's battle on." May the REVIVAL FIRES continue to burn all year!

### Byron Preaches Last Sermon

College Church Pastor Dr. Lloyd B. Byron preached his last two sermons to the college group Sunday before leaving to become the district superintendent of the North Carolina District.

Sunday morning the smiling New Englander had a 'special service' in which he dedicated babies, welcomed new members into the church and held a communion service. Themes for his last two messages were "Looking to Jesus" and "Jesus Satisfies."

Thus, Dr. Byron will leave us just as he has lived with us at Olivet. Jesus first on his mind and in his heart!

### Byron Respects Students

It could be pointed out that the retiring College Church pastor has a high regard for the Olivet student body and its religious standards.

Recently in discussing the call by the church board to Dr. A. Milton Smith,

pastor of Kansas City, Mo. First Church or headquarters church to become pastor at Olivet, this writer, knowing that Dr. Smith had not yet accepted, made this statement to Dr. Byron: "Don't you think it would actually be demotion if he came?" Quickly came Dr. Byron's reply, "No, not a demotion to become pastor of Olivet's College Church."

### Homespun Philosophy

A certain member of the freshman class seems to be a real homespun philosopher. Recently we heard Harold Rose give a testimony that went something like this:

"God is always there when we need Him. Also He is always there when we don't need Him except there just isn't any time when we don't need Him." Pretty good Harold for a freshman or even a senior or even a professor of philosophy. And, there is a lot of truth in the statement. God is an ever abiding Power with His children.

## Tenor Roland Hayes To Give Recital At Kankakee High School Tonight

### Farewell Reception Pays Tribute To Pastor

Associates of Olivet College and its Church gave the official formal farewell to Dr. and Mrs. Lloyd B. Byron Wednesday evening, Oct. 15. The gathering was held in Miller Dining Hall following the regular weekly prayer meeting.

The farewell gesture, sponsored by both college and church, was planned by a special committee created by the church board. Assisting this committee were representatives from the student council. Directing the music was Professor Gerald Greenlee and in charge of refreshments was Mrs. C. L. Henderson.

Representing the faculty was Dr. R. Wayne Gardner while Dean C. S. McClain spoke on behalf of the church. Giving the sentiments of the students for Dr. Byron was student body President Gerald Green. Olivet's President Dr. Harold W. Reed, after speaking for the College, represented all groups in presenting Pastor Byron and his wife.

The Rev. Byron left his post as local pastor Oct. 19 to take over the superintendency of the North Carolina District of the Nazarene Church.

### Opinion Expressed On Department

The following recent newspaper article by Dr. George Gallup, director of the American Institute of Public Opinion, throws an interesting light on public acceptance of the current Selective Service policy on student deferment:

"With draft calls being stepped up, many draft boards are scraping the bottom of the barrel for youths above 19. If it were left to the public to say which groups should be drafted next to fill the quotas, here are the three groups the public would take first, in order: (1) young men in defense industries; (2) 18-year-olds who have finished high school; (3) young men now working on farms.

Here are the two groups the public thinks should be the last to go: (4) married fathers; (5) college students getting good marks.

### DEAN'S LIST CONCLUDED

Not mentioned in the Dean's List article of the last issue are Jeane Robinson and Phyllis McGraw whose averages were 2.8 for last semester.

It would be difficult for one to determine the busiest professor on our campus, but it would certainly be proper to classify Dr. J. Russell Gardner as one of the busiest.

Dr. Gardner's wide range of experience no doubt accounts for the reason that Olivet students esteem him as a fine counselor and advisor. Having taught at Pilgrim Bible College, Pasadena, California, and Pasadena College he came to Olivet in 1946. He also served in the capacity of President at Pilgrim Bible College and Bible Holiness Seminary, Owosso, Michigan. Berkeley Church of the Nazarene, First Church of the Nazarene, Nampa, Idaho; Alhambra Church of the Nazarene and Bresee Avenue Church of the Nazarene, Pasadena, are churches Dr. Gardner has pastored.

From Muhlenberg College, Allentown, Pennsylvania, Dr. Gardner received his A. B., his M. A. from the University of California and his D. D. from Pasadena College. At the present time he is writing a dissertation for his doctorate degree at the University of Illinois entitled, "The Role of Experience and Value in Naturalistic and Personalistic Philosophy as Represented by the Writings of Clarence Irving Lewis and Edgar Sheffield Brighton." Dr. Gardner will receive his degree at the February '53 Commencement exercises.

A hobby Dr. Gardner enjoys very much is debating. As an athlete he likes tennis. The distinguished professor recalls the tennis court as the place where he met Mrs. Gardner. The Gardners were married on June 3, 1927 and they have three children: Elaine Charlotte Baugus, James Russell, Jr. (Jimmy), who is a student at Pasadena College, and Sharon Joyce, who is a junior at Bradley High School.

The internationally known tenor, Roland Hayes, will present a song recital Tuesday, Oct. 21, at 8 P. M. in the Kankakee High School auditorium. Having captivated audiences and critics throughout the world Mr. Hayes is guest of the Lyceum Committee on Olivet Nazarene College. Chairman of the committee is Student Body President Gerald Green who has announced that tickets are on sale at Lafayette and Normandy restaurants, at Jafees' Drug Store and on the campus.

The Negro tenor is the recipient of honorary doctorate degrees in the field of music from Ohio Wesleyan University, Boston University, and Harvard University. One of Hayes' most outstanding performances was his recital at Carnegie Hall in 1950. New York critics were unanimous in their praise of his artistry and notable reflection of scholarship.

"My Songs," a noteworthy anthology of Roland Hayes, has been warmly received by scores of music lovers. Being the only work in which the famous singer's Afro-American songs are available, it contains 30 spirituals including 10 great songs about the life of Christ, arranged by Mr. Hayes for piano and voice.

A Christian gentleman, Hayes was once asked about the customary "minute of silence" before the start of his programs. He replied, "I close my eyes and pray, saying, 'Lord, as I sing, please blot Roland Hayes out. Let the people see only Thee.'"

REV. MARK R. MOORE

A welcome reception dinner for the Rev. and Mrs. Mark R. Moore and family, new district superintendent of the Chicago Central District of the Church of the Nazarene, was held at 6:45 p.m. Saturday, October 4, in Miller Dining Hall on the Olivet College campus.

As the new D.S. of Chicago Central the Rev. Mr. Moore will have approximately 50 churches under his jurisdiction. He succeeded Dr. E. O. Chalfant August 21.

In charge of preparations for the reception was Dr. Lloyd B. Byron, pastor of College Church, and C. L. Henderson, business manager.

Toastmaster was Dr. Howard H. Hamlin of Chicago. Dr. Hamlin serves on the staffs of Woodlawn, South Shore Presbyterian and Cook County hospitals.

Approximately 200 persons attended the affair honoring the 36-year-old district superintendent. Most of the churches on the district were represented.

Giving speeches of welcome were Mrs. George Mitcham, district Nazarene Foreign Missionary president; the Rev. A. T. Smith, district young peoples leader; the Rev. Lloyd Morgan, speaking for the district Church School Board; Dr. Harold W. Reed, speaking for the college; and Dr. Lloyd B. Byron, a member of the advisory board.

The Rev. and Mrs. Moore were presented with an electric blanket, symbolic of the warmth, love and devotion of the churches on the district toward their new leaders.

Dinner music was furnished by a string trio composed of Miss Jewell Flaughner, Miss Anita Richards, and Miss Barbara McClain. Jerry Barkey sang a solo.

Also, listed on the program of enter-

tainment was the group singing directed by the Rev. Byron Carmony. Carmony is the writer of Olivet's Alma Mater, pep song and several other lyrics written about the school. Dr. C. B. Strang pronounced the invocation and Ray Knighton the benediction.

Before coming to take over his present position, the Rev. Mr. Moore was the superintendent of the Northwest Oklahoma District of the Nazarene Church. He also served as a pastor in Newton, Kansas, and as a chaplain in World War II. As a chaplain he was taken prisoner in the Battle of the Bulge.

Rev. Moore has also acted as a college professor at Bethany-Peniel College where he was graduated with the Bachelor of Arts degrees.

At the present time Rev. Moore is serving on the general Nazarene young peoples' society executive council to which he was elected at the church's general assembly last summer.

Twenty Olivet students served tables at the dinner honoring the new leader who will reside at 716 South Greenwood Avenue in Kankakee.

## Editorial...

It was recently that an entire chapel period was given over for the presentation of clubs and organizations which function on the O.N.C. campus. Students who have attended Olivet in previous years are aware of the many societies representing supplementary activity in harmony with the various departments of study. However, students new to the campus learned from the recent presentation of clubs the kind of organizations and the number available.

What about the **quality** of these extra-curricular activities and the clubs which make them possible? Are they worth the time they necessitate, and if so, why?

The quality of the student organizations can be expressed as we discover the ways in which they benefit us. First, we should consider and recall the fact that every individual is a part of society, and if we are to be content in life we must find a successful adjustment to the society in which we live. What could be more profitable than actively participating in social functions with other students?

Included within the objective of every society on the campus is a spiritual emphasis which thus enriches the activities of each group. As a result of Christian ethics playing a foremost part, the clubs are operated on a "first things first" policy.

When you enter into student activities you are supporting your school, better equipping yourself for the future, honoring God through Christian service, and making a sizable contribution to society.

From the fields of business and physical education to the realms of religion and philosophy there are many and varied societies here at Olivet. **That means there's one for you. Join several . . . and join today!**

# Olivet College Welcomes Five New Students From Foreign Soil

Each year the administration, faculty, and upperclassmen of Olivet watch with intense interest the arrival of new freshmen to the campus. The members of this class, usually the largest in enrollment, strongly influence the spiritual, intellectual, and social tone of the campus.

For the past several years there have been one or two members of the freshman class representing foreign countries, but this year's class brings to our campus five students who make their homes in lands across the sea. Olivet College is surely a new and different experience for them.

Miss Hattie Lau, from the first moment of her arrival, felt with a surety that she would really enjoy herself here at Olivet. However, as could be expected, she missed the folks back home and now that cold weather has borne down upon us she really misses the nice warm climate she has always known. Most of all Miss Lau longs for oriental foods that she has been accustomed to, which of course, she is unable to enjoy here at school.

Having been on campus for several weeks, she's noticed the friendliness of the students and the Christian atmosphere pervading the campus.

Hattie is planning to major in elementary education and, upon completion of her college work, will return to Hawaii to render Christian service among her people.

From Honolulu, also, we have Miss Katharine Yogi, who attended the same Nazarene church as did Miss Lau. We are certainly indebted to Rev. Leo Steineger, their former pastor and an Olivet alumnus, who faithfully recommended Olivet to these girls.

Katharine wholeheartedly enjoys the Christian surroundings of her college home which she wasn't permitted to experience at home except in the church, for she was the only Christian in her family. Like Miss Lau, she really misses

that "home-cooking" and the warm climate they have the year around.

Miss Yogi realizes the need for Christian workers in her country and upon completion of her college work she hopes to return to Hawaii and enter the field of secondary education.

Upon his arrival at Olivet, Clarence Fukushima was amazed at the physical dimensions of the campus. However, he had previously attended a high school in Honolulu that had an enrollment of between 1,500 and 2,000, so he is not overwhelmed by the number of students. Christian fellowship means much to Clarence, and he is anticipating a rich and rewarding year at Olivet.

He says that the thing he misses most is the warm climate, but, via the grapevine, we discovered that he has a girl back home that he misses even more than the pleasant weather. As a matter of fact, when the plane took off from Honolulu bringing these students to school, he was already writing a letter "back home."

Leaving Hawaii, we now turn our attention to Guatemala which is the homeland of another member of the freshman class. Miss Mary Margaret Birchard the daughter of Rev. and Mrs. Russell Birchard, missionaries in Guatemala now stationed in Salama. Mary has been in the states four years, two of which were spent in Arizona, and the latter two in Midland, Michigan, with her aunt and uncle, Rev. and Mrs. Fred Hawk, and her cousin, Fredi Hawk, who also is a freshman this year.

She went to Guatemala for a few weeks visit this summer and returned with a younger sister, Anita, who is a freshman in the academy here at Olivet. Of course she misses her parents tremendously, but this is partially offset by attending a Christian college.

Like Miss Birchard, Miss Susan Briles has been in the states for three years, having graduated from high school last year in Noblesville, Indiana. She is the

"It's a pleasure any time to accept a \$2,000 check." These were the first words of Olivet College President Harold W. Reed (right) as he responded Monday morning in a chapel program when he was presented with \$2,000 from Ricardo Fernandez of Havana, Cuba, student missionary band president. The money was raised by the Olivet students and faculty to build a

chapel at a Nazarene mission station on the Island of Barbados in the Caribbean Sea. The drive was started during the 1951-52 school year while Harold Canady was the band's president and was completed last week. Mrs. Harold W. Reed was last year's sponsor and Prof. R. L. Lunsford is this year's sponsor.

## Wunderlik Tells "What We Learn When We Work"

The following was taken from a recent talk by A. J. Wunderlich of The Illinois State Employment Service. Mr. Wunderlich spoke to Olivet students in chapel Sept. 25.

### THE ART OF GETTING ALONG

Sooner or later, you and I, if we are wise, discover that life is a mixture of good days and bad, victory and defeat, give and take. We learn that it doesn't pay to be a too sensitive soul; that we should let some things go over our head like water off a duck's back. We learn that he who loses his temper usually loses out. We learn that carrying a chip on our shoulder is the easiest way to get into a fight. We learn that the quickest way to become unpopular is to carry tales and gossip about others.

We learn that buck-passing always turns out to be a boomerang, and that it never pays. We come to realize that the business could run along perfectly well without us. We learn that it doesn't matter so much who gets the credit so long as the business benefits. We learn that even the janitor is human and that it does not harm to smile and say "Good Morning," even if it's raining. We learn that most of the other folks are as ambitious as we are, that they have brains as good or better, and that hard work, not cleverness is the secret of success.

We learn that no man ever got to first base alone, and that it is only through cooperative effort that we move on to better things.

We learn that bosses are no monsters, trying to get the last ounce of work out of us for the least amount of pay, but that they are usually pretty good fellows who have succeeded through hard work and who want to do the right thing. We learn that folks are not any harder to get along with in one place than another, and that the "getting along" depends about ninety-eight per cent on our own behavior.

## Science Club Enjoys Weiner Roast Picnic

A beautiful cozy fire at Rock Creek was the scene of the Science Club weiner roast Saturday evening, Oct. 4. The caravan, forty strong, left the Burke Administration Building at 7:30 and enjoyed hot dogs, mixed pop, potato chips, and roasted marshmallows upon arrival at Rock Creek.

After eating, the Science "Clubbers" gathered around the fire for a program of entertainment. After all participated in group singing, Chuck Pauley favored the group with a solo while imitating "Al Jolson." A girls trio composed of Phyllis McGraw, Mickey Cotner, and

Marilyn Anthony and a quartet composed of Chuck Hasselbreen, James Knox, Jerry Parker, and Walter Mingledorf entertained their fellow members with special singing. After the program, science booklets, club medals, the annual breakfast, the annual picnic, and the next function were topics of discussion.

The second meeting of the year will take place at 4:00 P. M. Oct. 21 in room 303. Two films will be shown, business matters discussed, and refreshments served.

## DOTS by Dave

The football situation at Olivet this year has presented somewhat of a problem for officials in the physical education department.

Many freshmen, as well as a few upperclassmen, came to O.N.C. never aware of a game existing such as we have here — that is, the "sash" style of pigskin. Last season it worked out fairly well with tackling strictly taboo due to lack of equipment .... but this year, as the injuries witness, it went a little too far .... and a committee of the coaches plus a few of the ambitious faculty got together and straightened the problem out.

Ray Morford, the freshman Indian from Hammond, has really been coming up with some beautiful catches in the last few games. Oct. 2nd he snared a 40-yarder from Mo Hughes to set up the winning score in the Spartan-Indian clash, and last Thursday caught another beauty on the dead run to help his undefeated Indians tie the stubborn Trojans.

Incidentally, that Oct. 2 game was quite a thriller and our "congrats" go to End Bill Winegar who was the ultimate hero of that 18-14 Indian win which was the thriller of the year.

**HATS OFF:** Our bi-monthly salute this time goes to Sophomore Jim Mitchell, who narrowly missed a no-hitter Oct. 8 as his Trojans trounced the Indians, 11-1. Gene Houchin's sixth inning bingle spoiled the bid although Jim fanned 15 batters.

The Trojans were minus the services of three of their top players in their 12-12 tie with the Indians last week .... Quarterback Jack Little, Lineman Leonard Baylor, and Windy Kizzee were among the missing, although the Trojans really put up quite a battle without them. Don Keeling, Trojan third sacker collected two hits in the Trojans' seven-run assault inning on the Indians last week .... The latter team was aided greatly by the addition of pitcher-infielder, Gene Houchin, who last year batted .425 .... Trojan Mentor Cal Johnson seems to have hit on some pretty good freshmen in Bob Myer, a good

## Spartans Anticipate Softball Crown

As of this writing, the Spartans jumped out ahead in the tight softball race after taking a thrilling 5-3 decision from the Indians in the initial third round contest October 8.

Don Durick pitched steady six-hit ball, and Dave Brown and Wayne McGuire slammed five hits between them to pace the Men in Green. However, the Indians were stubborn, but their hits seemingly were falling right into fielders' gloves.

Previous to this, the Indians had trounced the Spartans in the second round opener, 12-7, and the Trojans came back the next day with a 13-8 walloping of the Spartans.

Then Jim Mitchell, stellar twirler of the Spartans, entered the picture and hurled a beautiful one-hitter at the Indians last Wednesday, to win 11-1, and thus knot the entire standings all up at two wins and two losses apiece for everyone.

Jim helped his own cause with three doubles, all to right-center, and some timely hitting by his pitching mate, Lowell Oberlander aided the cause. "Mitch" fanned 15, walked one and hit two. The lone base knock was by "Coo" Houchin in the sixth.

The standings as of Oct. 10:

backstop; Infielder Keeling and Bob Terry and Outfielders Ronnie Palmer, Sandy Noe and Jim Vetter, the latter three all left-handers.

That old man, Gov Durick is still around, and is still pacing the Spartans to victory in softball, both at the bat and on the mound. Just last week, he and his "O" Club crew put their new members through a wonderful initiation .... I, for one, (and I know I speak for the whole group) say it was a great initiation .... one I know I won't forget; and one of which you older members should be proud of.

Remember, keep us posted on the latest "squibs" from here and there, and we'll see that they get in print — if they're fit!

**FLASH:** (From the Dean's office): Indian Ace "Cup" Richard is eligible!

## JOHNSON ELECTED HEAD COACH

Cal Johnson recently was elected head coach of the Men's "O" Club team which will battle the Alumni Tip-Off night, Nov. 14. Prof. Slagg was elected faculty sponsor of the group.

## Memos by Marilyn

Spirit and enthusiasm hailed the opening of the girls' softball season. Every society had a good turn out for teams and during the first week three games and part of another were played.

First game of the season was a clash between the Spartans and the Indians. Mickey McAllister pitched for the Greens and Sue Briles for the Reds. The game was called at the end of three innings with the Spartans out in front 13-9. It will be finished at a later date.

Next the Spartans met the Trojans on the diamond with Beverly Hickler coming out on top as winning pitcher for the Blues. The Trojan girls really surged ahead with the score ending at 32-7. After two years of being pushed into the background of the softball program the girls are coming back into prominence this year.

Trojans and Indians met for the first time with the Reds as victors 22-18. Sue Briles and Lora Hiatt shared pitching honors for the Indians and Beverly Hickler was on the mound for the Trojans. Both teams showed good spirit and the Indians had such enthusiasm that it seemingly carried over to the next game when they met the Spartans for the second time on the diamond. This time Marcella Phillips hurled for the Reds and Mickey McAllister again for the Greens. The final score was 29-8 with the Indians on top. "Big Chief" White has been coaching the Reds since it looks as if they've learned some things, but the Spartans and Trojans still have time and will give the Reds a "run for their money."

Girls participating in the games:

Indians — Lau, Briles, Ripper, Blockberger, Ellen, Green, Cunningham, Lane, Strickler, Nichols, Schray, Buchanan, Wickstrom, Phillips, Kauffman, Hiatt, Bell, Craig.

Spartans — Millam, McAllister, Cotner, Hendricker, Horner, Mattax, Spencer, DeBooy, Starkey, Cypert, Quick, Ball.

Trojans — Williams, Thomas, Manning, Peters, Burris, Hunt, Hurdle, Smith, Combs, Gieselman, Fuller, Schoenewetter, Collins, McLaughlin, Hickler.

# Latest In Sports

The Olivet football campaign concluded its regularly scheduled season October 16 as the Trojans eked out a narrow 13-6 win over the here-to-fore undefeated Indians.

The Blue victory enabled them to finish the season with a deadlock for first with the Indians, both teams having a 4-1-1 ranking.

## The Standings:

Team	W	L	T	Pts.	O.P.
Trojans ....	4	1	1	97	37
Indians ....	4	1	1	77	58
Spartans..	0	6	0	39	118

However, at this writing it has not yet been decided as to whether the teams will play off the deadlock. The Trojans have the statistical edge. The Indians won in the first round, 13-0, and the teams played a 12-12 standstill in the second meeting.

Lineman Windy Zizzee, intercepting an Indian pass, and Back Ronnie Thompson, returning a 60-yard punt were the tallies chalked up by the Trojans to a singleton by the Indians End Ray Morford on a pass of 20 yards.

Previously this final round, the Indians and Trojans took turns handing the Spartans their fifth and sixth consecutive beatings of the year, the Trojans, 20-6 (thanks to End Jay Arledge), and the Indians, 13-7.

In softball, the Spartans hopped out in front temporarily last Thursday, taking a 7-2 fourth round opener decision from the last place Indians.

The Spartans and Trojans are scheduled to meet in their championship game Wednesday with stalwart Hurlers Jim Mitchell and Don Durick opposing each other on the hill.

Previously, in their third round meeting, the same two teams dueled to a 5-5 deadlock called because of darkness. The next day, the Trojans swamped the Indians, 18-3.

Don Durick is leading the league in hitting after three rounds with 10 for 19 (.527); Dave Miller of the Trojans is second with 11 for 21 (.523); and Dave Brown is third with 8 for 24 (.333).

Keep up the good work, girls, and when you aren't playing softball or if you don't participate in the sport, then root for the fellows in your other society games.

Bright adjectives are the only words that could describe the present running of the 1952 football season at Olivet.

One couldn't ask for better games. The competition this year is terrific among societies, as well, among players and fans.

After a first round that saw the Indians romp two victories over the Blue and the Green, and the Trojans defeat the Spartans, football fans braced themselves for a fierce second round, and that's exactly what it was.

Oct. 2, in one of the most thrilling football games ever staged at Olivet, the Indians retained the undefeated slate with a narrow escape over the yet-to-win Spartans, 18-14. The Spartans held a 7-6 nod entering the final quarter, but Roger Deal put the Red ahead with a 10-yard TD jaunt.

Then Don Mathews hit paydirt for the Green with only 1:17 left in the game (S: 14; I: 12). Then hopelessly trying to score Mo Hughes connected two long passes, one to Ray Morford, the other to Bill Winegar in the end zone as the game ended to give the Indians a four point "squeeze."

The Trojans trounced the Spartans, 33-0 in the next game and the stage was set a Red-Blue tangle. Ron Thompson, Jack Little, and Dean Cummings were the Trojan heroes in this contest.

Last Thursday the Blue and White, battling to advance into a first place tie with the Indians, were held to a 12-12 standstill by a scrappy Indian eleven. Several times, the Trojans boot-ed chances to score after penetrating deep in enemy territory.

Lineman Bob Metcalf and Back Ron Thompson scored for the Men of Troy

# The Waggin' Tongue

In search of a bit of the latest news, and with hope of renewing some old "Memories" on and around campus, I took a little "Sentimental Journey" the other night .... I decided to walk, "Because" .... "Early Autumn" is such a lovely time of year, and there was such a beautiful "Blue Moon" shining, that I knew lots of couples would be out strolling.

Walking past Chapman Hall, I noticed Pudge Fisher looking sad, and as I got closer I realized why — he was singing "Lonesome and Sorry." But you can't blame Pudge — he's "Gotta Right to Sing the Blues" .... on to the Ad. Building .... there was Jack Sutherland, with Naomi of course, but then, she "Can't Help Lovin' That Man!" .... Then I met Bob Squires .... I think "Wedding BELLS Are Breaking Up That Old Gang of Mine," Bob .... On into the Post Office, and who should I run into but Bill Price, who was muttering "I'm Gonna Sit Right Down and Write Myself A Letter" .... but Naomi Combs, who is "Walking Alone" this semester, is beaming, and holding two air mails from Michigan State.

Back into the corridor now, and a dim light from the parlor catches my eye, and with a feeling that "Love Is Just Around the Corner," I step in. There was Barbara looking up at Millard Reed, and I only heard part of the conversation .... "Just Because .... You've Got Me In the Mood .... Should I ....

Confess I Love You ...." Well Millard, just keep trying .... In the other corner of the Parlor sat Camillia Marsh and "Jack, Jack Jack."

On out into the foyer, and Carol Burris walked by alone. When I asked her why, she just replied "Everybody Loves My Baby" .... By the way, Benny Shaw, "Whose Little Boy Are You?"

To the Pan now, to see what's fryin' .... Lell, here's Wayne Gallup out for his nightly stroll, with Star Dust in his eyes, but that's not a dream by his side, it's Laura .... Oops! John Baltz just flew by "In His Merry Oldsmobile" so fast that he didn't even see his "Sugar Walkin' Down the Street" in front of me .... Right behind John (going at a slower pace) were Bob Stevens and Etta Mae, who like to be "Alone Together" lately.

I didn't find very many couples at the Pan .... I guess too many fellows think "The Best Things In Life Are Free" (but I hear they go down at 10:30, girls.) .... Ray (the crooner) Morford was there with Janice, and it was a swell duet, but Ray kept insisting, "You'll Never Get Away, You'll Never Get Away" .... Now, there's real Love and Devotion — Lee Ketterman and Francis Copelin in the back booth .... Roger Deal and Dick Brooks were there alone .... Well, "Just One Of Those Things," boys.

It was getting late, so "I Ran All The Way Home" to beat the curfew .... Sev-

## IT'S A MAN'S WORLD

It's a man's world, all right. Just look at the difference in these descriptive words and phrases:

If a man doesn't marry he is a "bachelor" — glamorous word, but if a woman stays single she is labeled an "old maid."

When it's his night out he's "out with the boys," but her night out is considered a "hen party." What he hears at the office is called "news," but her collection of the latest tid-bits is called "gossip."

If he runs the family he is called "the head of the house," but is she runs it she "wears the pants in the family."

In middle age he is "in the prime of life" or at the "peak of his career." At the same age she is "no spring chicken." If he is an easy spender he "does not deny his family anything," but if she doesn't count pennies she is "extravagant" or a "poor manager."

Gray hair makes him distinguished, her an old hag.

It all depends on one thing—whether you're speaking of the man or the woman.

eral couples were "Lingering Awhile" until Margie said "Time to Go," and Joe Hendricks, that doesn't mean "Five Minutes More" at the side door even though you are "In A Mist!" So everyone says "Nighty Nite" with a sigh, and with the parting words, "Dream A Little Dream of Me," the door is closed on another day.

And speaking of "Time To Go," that means me too, so—
